Please read these basic guidelines before applying for a scholarship:

Private Good and Merit Good:

- In order to qualify for a Recreation Program Scholarship, the household's monthly gross income must fall within the income limits as determined by the DSHS CCSP. The applicant must provide paperwork that validates their income, i.e. tax form from most recent year (plus current pay stub) or TANF/SSI Statement (no additional pay stub is required).
- Ephrata Parks and Recreation Commission will determine scholarship assistance, on a case-by-case basis.
- Full scholarships are not available for Membership Passes (i.e. Splash Zone). Memberships may be discounted by the City a maximum of 35%. Recreation scholarship funds may be applied up to an additional 35%.
- Scholarships will be distributed as funds are available. Applications for Recreation Programs will be given priority over Memberships. Youth will be given priority over adults, seniors and children.
- The City will endeavor to limit scholarships to 10% of a program's gross revenue in an effort to protect the investment of the program's instructor.
- One application per applicant may be submitted per EPR registration quarter.
- Youth, Infant and Senior scholarships shall be calculated based on the applicant's income under CCSP. If the applicant's income is in:
 - Column 3 of the CCSP = 100% scholarship, Column 4 = 75% scholarship, Column 5 = 50% scholarship.
- Adult scholarships shall be calculated based on the applicant's income under CCSP. If the Applicant's income is in:
 - Column 3 of the CCSP= 75% scholarship, Column 4 = 50% scholarship, Column 5 = 25% scholarship.
 - Adults may receive up to \$125 of scholarship aid per calendar year.

Public Good Programs:

- The applicant's household must meet requirements under the Department of Social and Health Services (DSHS) Child Care Subsidy Program (CCSP).
- The applicant must demonstrate they meet CCSP guidelines by submitting an Ephrata Parks and Recreation Department Scholarship Application with necessary supporting documentation.
- For recurring or monthly programs, the City may subsidize the first month of an approved applicant's fee.
- An approved applicant will be responsible for co-pays as under CCSP guidelines.
- The City may continue to subsidize the applicant's fees after the first month following the CCSP formula upon proof from the applicant that they have completed the application process for the CCSP and are awaiting DSHS approval.
